Mrs. Minnie Walker Called by Death

The death occurred March 1st of Minnie B. Walker in her 87th year. Mrs. Walker, widow of the late Guy Walker, left Ontario in 1900, and lived in Winnipeg until coming west to Alberta, and settling in the Reid Hill district in 1909.

She was active in district affairs, being a charter member of the Reid Hill Women's Institute. She was a gracious hostess for years at the famed 101 Ranch, where many partook of her hospitality.

Surviving are two sons, Roy and Ross of Vulcan; three grandchildren and three great-grandchildren.

Funeral services were held Mar. 5th, from St. Aldhelm's Anglican Church, Vulcan with Canon F. Vaughn-Birch officiating.

Interment was made in the family plot in the Vulcan cemetery. Pallbearers were Bruce Roe, Judd Mannen, Frank Hess, Robert Todd, Edward Finckh and Ben Dann.

Hospital Meeting Poorly Attended

Only four ratepayers were present at the public meeting of the Vulcan Municipal Hospital District, held Wednesday afternoon, Feb. 29. All members of the hospital board were present, as well as the secretary of the hospital and the secretary-treasurer of the County.

D. D. McQueen was elected chairman of the meeting and L. H. Weatherburn acted as secretary.

The financial statement for the year was reviewed and accepted. As so few ratepayers attend the annual hospital meetings, it was decided that, in future, hospital business would be discussed at the annual county and town meetings.

A vote of thanks was extended to the hospital board for their work.

Keystone Class

The March meeting of the Ladies' Keystone Class of the Church of Christ was held at the home of Mrs. M. Boose. Twelve members attended the meeting.

Hymns were sung and some of the ladies led in prayer. The devotion was given by Mrs. E. G. Hansell in place of Mrs. C. Fleming, who was unable to attend on account of sickness. Minutes of the last meeting were read and approved and the roll call response was a scripture verse on "forgiveness."

It was decided to send old Christmas cards to the Kulpahar Mission in India for use in the work among the children there. Ten dollars was donated to a fund in connection with a new furnace for the church.

Attends Livestock Marketing Study Program, Edmonton

For the past three years, Swift Canadian have held a week's Livestock Marketing Study Program, for a limited number of primary producers, as part of their public relations work.

This year the study was held in Edmonton from Feb. 25 to March 2. Seventeen Alberta producers including Brown McDonald of this district, were invited to attend, all expenses paid.

The program was interesting and varied, including a morning in the livestock buyer's office, where the visitors were shown private telegraphic reports on livestock and meat trade, from all large market centres.

They were also shown the slaughtering and grading of dressed carcasses, the tagging for shipment, and processing of the by-products.

The most interesting part of all, was perhaps, the discussions and question and answer period.

Following each plant tour, feeding, sanitation, research, disposal of by-products, sales, personnel, supervision and various types of retail meat stores, were discussed with officials of the Board.

Entertainment included a tour of television station CFRN-TV, and one evening at Edmonton Gardens, where the Italian Instrumental Orchestra 'Virtuose di Roma' were visiting artists.

Altogether it was a week of useful information to all primary producers and Mr. McDonald found it to be very worthwhile.

As usual we will try to notify everyone in advance as to when the veterinarian will be in the locality so that we may proceed as fast as possible.

Asked To Reduce Use of Water

In a notice in this issue, residents are asked to reduce water consumption to a minimum.

A large number of water services (56 at the present time) have been frozen due to the severe weather conditions this winter. These services have been thawed out but now must run continuously to prevent freezing again. As a result, water consumption is now almost as high as the pumping capacity of the system and it is becoming difficult to keep the overhead tank full and thus maintain pressure.

Until such time as the weather warms up considerably and the frost comes out of the ground, residents are asked to cut down on the use of water.

Neil Dumka and Ron Northcott Win Mixed 'Spil

The second mixed bonspiel of the season was completed this week, with the Neil Dumka rink winning the first event and Ron Northcott's rink winning the second event. Prizes were awarded the two top rinks in each event.

Standings in each event were as follows:

First Event
1. Neil Dumka (skip), Olga Miller, Alvin Jacobson, Lena Jacobson.

2. Ray Wellman (skip), Marion Paris, Mike Soby, June Joiner.

Third place went to the Del Graham rink and Ivan Haga's rink ended in fourth place.

Second Event
1. Ron Northcott (skip), Fay Fletcher, Lloyd Isles, Jackie Naish.
2. William Munro (skip), Morley Scoble, Shalely Combs, Bruce White.

John Wolfe's rink ended in third place and Ross Walker's rink was in fourth place.

Drilling Well Near Kirkcaldy

A well is being drilled for the British-American Oil Co. Ltd. at a site about one-half mile north-west of the Hamlet of Kirkcaldy, about five miles south of Vulcan.

In the past few years, several wells have been sunk in the Kirkcaldy area but none hit oil in sufficient quantity for commercial production.

Plan Program For H & S Institute

The annual Home & School Institute of the County of Vulcan H & S Association will be held in Vulcan on Saturday, March 24.

A full day's program is now being planned and speakers will include Mrs. Felix Llew of Calgary, president of the Canadian Council of Home & School Associations; Olaf Larsen, Superintendent of Schools for Newell County; S. T. Nichols, principal of the Champion school, who will speak on high school programming and how students should choose subjects with regard to the careers they plan to follow; and Dr. E. M. Rowland, Public Health Doctor of the Foot-hills Health Unit.

The program was interesting and varied, including a morning in the livestock buyer's office, where the visitors were shown private telegraphic reports on livestock and meat trade, from all large market centres.

They were also shown the slaughtering and grading of dressed carcasses, the tagging for shipment, and processing of the by-products.

IN MEMORIAM

LAUGHLIN—In loving memory of our sister-in-law and aunt, Mrs. Anna Laughlin, who died March 11th, 1955.
"Thy voice is now silent,
Thy heart is now cold,
But thy smile and thy welcome
Of met us of old.
We miss thee, and mourn thee,
In silence unseen,
We'll dwell on the memories
Of joys that have been."
—The Webber Family and Mr. and Mrs. Willis McIntyre. 30-1p

IN MEMORIAM

MATLOCK—In loving memory of Flight - Sergeant Elmer Keith Matlock, missing from a flight over Verdun, France, March 8, 1943.
"Thirteen sad and lonely years
Have passed
Since our great sorrow fell;
The shock that we received that day
We still remember well.
How his life was shed we know
Not;
What his last word, look or
thought.
Only that he did his duty—
Died as he bravely fought."
—Lovingly remembered by his Mom, Dad, Sister and Brother. 1p

IN MEMORIAM

LAUGHLIN—In loving memory of a dear wife and mother, Anna Laughlin, who passed away March 12, 1955.
"You can't have one mother,
Patient, kind and true.
No other friend in all the world
Would be so true to you,
For all her loving kindness,
She asks nothing in return.
If all the world deserted me,
To my mother I could turn;
To those who have a mother,
Treasure her with care,
For you never know her value,
Till you see her vacant chair."
—Sadly missed by Pat, Darrel and Patsy Ann.

IN MEMORIAM

LAUGHLIN—In loving memory of Anna Laughlin, who passed away March 12, 1955.
"As we look upon her picture,
Sweet memories we recall
Of a face so full of sunshine,
And a smile for one and all.
Tho' her smile is gone forever,
And her hand we cannot touch,
We shall never lose sweet
memories,
Of the one we loved so much."
—Ever remembered by her brothers and sisters.

WHAT YOU SHOULD KNOW ABOUT WELFARE

The following is a summary of what may be regarded as pension plans for certain categories of Alberta citizens:

Old Age Assistance— Under an Agreement with the Government of Canada the Province has, since 1st January, 1952, been paying assistance up to \$40.00 a month under a means test to persons in the 65-69 age group who have resided in Canada for 20 years or its equivalent.

Fifty per cent of the assistance paid may be recovered from the Federal Government.

Blind Persons' Allowances— Pensions to the blind had for several years been paid under the former Old Age Pension Act. On 1st January, 1952, a special Blind Persons' Allowance came into effect and, under an Agreement with the Government of Canada, the Province continued to pay an allowance up to \$40.00 a month under a means test to blind persons who had attained the age of 21 years and had resided in Canada for 10 years or its equivalent.

Seventy-five per cent of the allowance may be recovered from the Federal Government.

Widows' Pensions— Since 1st April, 1952, the Province, at its entire expense, has been paying a pension up to \$40.00 a month under a means test to widows of the 60-64 age group who had resided in the province for the greater portion of the three years prior to the date of application and had resided in Canada for a period of 15 years or its equivalent prior to the date the age of 60 years was attained.

Disabled Persons' Pensions— Since 1st June, 1953, the Province, at its entire expense, has been paying a pension up to \$40.00 a month under a means test to disabled persons who have attained the age of 21 years and who have resided in Alberta for the 10 years immediately preceding the date of the application.

Supplementary Allowances— An allowance up to \$15.00 a month is payable under a means test to Alberta residents in receipt of Old Age Security, Old Age Assistance, and Blind Persons' Allowances.

Disabled Persons' Allowances— Under this Act, the Province pays up to \$40.00 a month under a means test to certain permanently disabled persons who have attained the age of 18 years and who have resided in Alberta for the 10 years immediately preceding the date of application. Half of this allowance may be recovered from the Federal Government.

MOTHERS' ALLOWANCES

These allowances have been paid in Alberta since 1919 to any needy widow with dependent children according to the schedules in effect which vary from \$50.00 a month to \$145.00 a month. A special allowance up to \$10.00 a month may, in addition, be paid in cases where the need is apparent.

The municipality in which the widow has acquired residence assumes 20 per cent of the cost of the regular allowance, the Province paying the balance in addition to the special allowance. This allowance is payable until the child reaches the age of 16 years or of 18 years if attending school and making satisfactory progress.

HOSPITALIZATION FOR PENSIONERS

Hospitalization and Treatment Services— The Province, at its own expense, provides certain hospitalization and treatment services to Alberta residents who are in receipt of Old Age Assistance, Mother's Allowance, Widows' Pension or Supplementary Allowance. This is also available to recipients of Old Age Security under a means test.

The Province pays the entire cost of the administration of the foregoing services.

Old Age Security— To persons who have attained the age of 70 years and have resided in Canada for a period of 20 years or its equivalent the Federal Government pays a pension of \$40.00 a month without a means test.

Champion

Blimkie-Anderson

A wedding of local interest was solemnized recently in the United Church at Carmangay when Thelma Anne, daughter of Mr. and Mrs. John C. Anderson of Champion, was united in marriage with Bert Blimkie, son of Mr. and Mrs. Blimkie of Grande Prairie. Rev. Peter Dawson officiated.

Entering the church on the arm of her father the bride was attired in a ballerina length gown of net and lace over satin. It featured a strapless bodice and full bouffant skirt of accordion pleated net over laid from the waist with points of pleated lace. A face bolero featuring lilypoint sleeves and pearl encrusted Peter Pan collar completed the gown. Her shoulder length veil of illusion net fell from a tiny pearl and sequin net of lace over satin. She carried a traditional bouquet of red roses.

Miss Marguerite Anderson, sister of the bride, was maid of honor. She wore a pink ballerina length gown of blocked nylon over taffeta and matching pink mushroom hat. Her bouquet was of pink carnations.

Ben Coombs was best man. The guests were ushered to their places by Charles Anderson, brother

of the bride.

Mrs. Winnie Carlson played the wedding music and Miss Gloria Fraser sang "Through the Years," during the signing of the register.

The bridal party left the church after the ceremony beneath the crossed bayonets of the Boy Scouts Honor Guard.

The reception followed in the church hall where the bride's table was centered with a three-tiered wedding cake and the tables were decorated with spring bouquets of daffodils and tulips. Telegrams wishing the couple happiness were received from the groom's parents and his brother and sister-in-law in Grande Prairie. Ben Coombs proposed the toast to the bride. For her daughter's wedding Mrs. Anderson chose an afternoon frock of blue crepe and her corsage was of red roses.

For their honeymoon which the couple will spend in Grande Prairie, the bride changed to a blue crepe de chine sheath dress with tiny bolero. Her accessories were navy and white and her corsage was pink carnations. The couple will make their home at Carmangay.

Almost three hundred million dollars in claims will be paid by such companies this year in Canada. Without insurance protection these losses would

represent a ruinous drain on the financial resources of individual Canadians.

Providing an essential protection by "sharing the losses of the few among the many", Canada's fire, automobile and casualty insurance industry safeguards Canadians financially at low cost.

Recent Showers Honor Miss Marilyn McCord

Around 70 friends of Marilyn McCord gathered in the basement of the IOOF hall last Friday for a miscellaneous shower. The hall and tables were tastefully decorated with pink and white streamers for the occasion. After a few contests Maxime Dietz on behalf of those present presented Marilyn with a number of gaily wrapped gifts. Assisting the guest of honor in opening her gifts were her mother, Mrs. Marial McCord and mother of the groom-elect, Mrs. Nelson. Marilyn very suitably thanked her friends for the gifts and invited them to visit her in her new home. A lovely lunch concluded the evening.

A bridal shower for Marilyn McCord was held at Dishaw's home Saturday the 3rd of March and was attended by the younger set of girls. Lunch was served buffet style, the table being centered by a bride doll. The bride's chair was adorned with pink and white streamers. Silver bells hung above. These decorations were made by Anne Oldfield and Audrey Bushel.

Several amusing games were played. In a bride dressing gown contest Carol Winch won the prize for the most fashionable dressed bride. Her bridal outfit was made from newspapers. Another interesting activity was the making of scrapbooks portraying the lives and futures of Marilyn and her groom-to-be, Aisle Nelson. Three amusing books resulted.

Before lunch was over, Betty Dishaw presented her with a gift, a Mixmaster, from the girls as well as individual gifts. After Marilyn opened her gifts she expressed her thanks for them.

Some 25 neighbors and friends gathered at the Leo Richardson farm, the first three days of last week for a wheat moving bee. Rising water from a spring-fed creek, which had risen to the level of the granaries and threatened other farm buildings necessitated the quick removal of the wheat to town and to granaries made available on nearby farms. Some of the district women also lent a helping hand by feeding the hungry workers.

PUBLIC NOTICE RE WATER CONSUMPTION

Under present weather conditions, we have to reduce water consumption drastically.

Today, we have 56 frozen services which are running continuously. Our present average consumption is 58,000 gallons per day, while the pumping capacity of our system is 60,000 gallons per day. Unless consumption is reduced we will be unable to maintain pressure in the overhead tank.

Due to frozen services, the situation is getting serious and consumers are therefore requested to cut water consumption to the absolute minimum.
